The research work must be in any of the DOST priority areas of study, to be conducted for a minimum of 3 months to a maximum of 1 year.

The financial assistance shall be for a maximum of One Million Five Hundred Thousand Pesos depending on the place and duration of study. Privileges includes roundtrip economy airfare, stipend/living allowance, book allowance\*, accommodation, medical insurance\*, tuition fee and other school fees, clothing allowance\* subject to evaluation and approval.

\*allowances will depend on the place and duration of study.

## CAREER INCENTIVE PROGRAM

The Career Incentive Program (CIP) is a short-term scheme to address the administration's call to strengthen the country's S&T capability and avert the unemployment of graduates of DOST-SEI graduate scholarships and provide them the opportunity to work in research activities where they can contribute their knowledge and expertise.

This program is open to MS and Ph.D. graduates of the ASTHRDP. Interested scholar-graduates may apply to the CIP. SEI will deploy them to a DOST agency/research institution that needs their expertise for research projects/activities.

A scholar-graduate shall assume the position of Graduate Fellow position with the corresponding compensation to be provided by the Science Education Institute.
